

# Student Expectations

## Stay home if you feel ill.

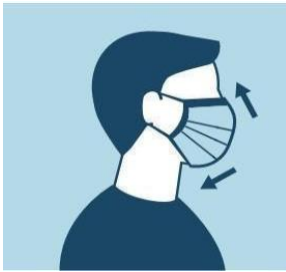

Students must stay home if they are feeling sick, have any symptoms consistent with COVID-19, or have had close contact with a person diagnosed with COVID-19.

## Morning health check by parents required.

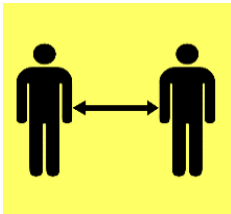

In order to prevent transmission among the school population, parents are instructed to screen students before leaving for school. Check to ensure temperature is below **100.0 degrees** Fahrenheit and observe for symptoms associated with COVID 19 outlined by public health officials.

**Student and staff temperatures will also be taken at assigned entrances: morning drop-off door, student entrance and main entrance using thermal sensors.**

## Face coverings or masks required.

Students must wear face coverings that completely cover the nose and mouth while inside the school and on the bus/carpool. "Mask Breaks" will be provided during the day. The school is providing students with 3-ply cotton masks with filter option. Disposable masks will be available for students who forget them. Non-compliance will result in the inability to attend school in person.

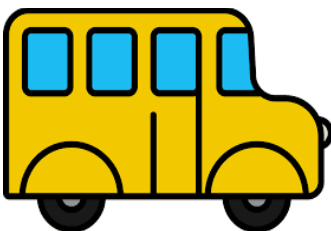

## Social distancing required.

Students must maintain social distancing to the greatest extent possible. Students are expected to practice social distancing when entering/exiting the building, in classrooms and moving throughout the school. **Sharing of school supplies and materials is not permitted. Lockers will not be available; students will receive mesh backpacks. Please be reminded that cell phones other non-school issued devices are not permitted to be used during the school day.** Non-compliance will result in the inability to attend school in person.

## Frequent hand washing or hand sanitizing expected.

Students must engage in frequent hand washing or sanitizing upon arrival, when entering the classroom, before and after meals, after bathroom use and after coughing or sneezing.

## Students may not change buses.

Students will be expected to ride the same bus to school in the morning and the same bus to home in the afternoon every day. Face coverings or masks must be worn prior to entering the bus. **Parents are strongly urged to carpool if not using the bus.**
