

## Arrangements for the start of the 2020-21 Academic Year at Methodist College

We aim to re-establish our full educational programme, in and out of the classroom, at the earliest possible opportunity and will endeavour to deliver as much of the timetable and curriculum as possible when school resumes in August. These arrangements will be kept under constant review and updated in line with any guidance issued by the government and the Public Health Agency.

During their induction sessions pupils will be informed about what is expected of them, the detail of their timetable and other operational matters.
