MONDAY/THURSDAY

Cohort B participating in at-home independent learning.

Cohort

A/B

WEDNESDAY

At-home independent learning for all students with all activities posted via Schoology and/or Seesaw.

Cohort

B

TUESDAY/FRIDAY

Cohort A participating in at-home independent learning.

Sample In-Person Daily Schedule

› MORNING MEETING

Building a classroom community by connecting with teacher and peers to get ready for a day of learning.

› LITERACY WORKSHOP

This includes reading, writing and word study through an integrated unit incorporating science and social studies.

› MATH WORKSHOP

Math curriculum is taught every day in all learning models taught by classroom teacher.

› LUNCH & RECESS

Students have the opportunity to safely interact with peers and school staff. This offers an opportunity for students to engage in social-emotional opportunities.

› SPECIALISTS

For example: art, physical education or music, etc.

Sample At-Home Daily Schedule

› TEACHER COMMUNICATION

A student will receive a communication from the teacher to maintain connections and get ready for a day of learning.

› LITERACY WORKSHOP

Through integrated units of study (inclusive of social studies and science), students will engage in a workshop framework that includes:

- Reader's Workshop: Students will engage in reading, writing and thinking about text.
- Writer's Workshop: Students will engage in writing and publishing text.
- Word Study: Students will continue to learn and practice word study skills .

› MATH WORKSHOP

Students will continue to learn and practice math concepts.

Special Education services will continue as determined by the IEP team.
GTD, EL and other qualifying services will continue to be provided.
