

HOLMDEL TOWNSHIP SCHOOLS

NEW HOLMDEL SAT DATE FOR HOLMDEL SENIORS!

August 14, 2020

Knowing many of our students want and need to take the SAT's and that Covid 19 is wreaking havoc with SAT test dates, we just made arrangements to offer ALL of our seniors the opportunity to take the SAT test on **Wednesday October 14th, at Holmdel High School**. This test date is strictly for Holmdel High School seniors. This test date will run concurrently with the PSAT for our 11th graders. Our 9th and 10th grade students will remain home for virtual lessons that day so that we can guarantee social distancing, room availability, and sufficient proctors.

Please note that CollegeBoard does not permit juniors to take the in-house SAT being offered in October. If conditions do not change, we will provide this opportunity, in-house SAT, to our juniors in the spring.

Due to Covid 19 restrictions that reduce the capacity of our school, testing on this date will be restricted to Holmdel Juniors (PSAT) and Seniors (SAT).

Registration details will be forthcoming.
