August 17 - August 21

Traffic Reminders for 8/17 - 8/21

Increased traffic update:

• Beginning Monday, students in grades 4-7 start attending school every day. This change from an alternate day schedule will impact our traffic at JSE! During arrival and dismissal please be patient in the parent pick up line as everyone acclimates to these changes!

Cross Walks:

• All students, staff, and family members who are crossing from the parking lot must use the crosswalks at all times. There are two crosswalks located directly in front of each entrance at the front of the school.

Family Pickup Tags:

- To be as efficient as possible, always remember to put the Family Pickup Tag, where a staff member can easily see it as you drive through the pickup line each afternoon.
- JSE Family Pickup Tags are color-coded by grade level and have your child's name and classroom teacher's name.
- Remove your student's tag from the rearview mirror or dash once you have your student in the vehicle.

JSE Main Traffic Loop Reminders

- You will be ticketed for being on your cell phone if you are driving through the family drop-off or pickup line.
- You may not change lanes while in the pickup or drop off lanes.

JSE Arrival Procedures

Remember that things will look a little different as we begin this school year. Here is a quick review of our procedures.

TWO IMPORTANT REMINDERS:

- NO PARENTS OR FAMILY MEMBERS WILL BE ALLOWED IN THE BUILDING IN ORDER TO REDUCE INTERACTION.
- THE BUILDING WILL OPEN AT 7:15 AM.

Dropping Off BEFORE 7:25 AM

- Students may eat breakfast in the cafeteria.
- Students not eating breakfast will go to the gym and sit with their cohorts.

Dropping Off AFTER 7:25 AM

- Students dropped off after 7:25 AM will go directly to their classrooms, unless they need to eat breakfast.
- If students need to eat breakfast they may go to the cafeteria until 7:45 am.

Other Reminders

- Students will enter the school using the main entrance at JSE.
- All students will have their temperature checked.

JSE Dismissal Procedures

- Students will be dismissed at 2:50 pm.
- Family members that elect to park and walk up to pick up students will be directed to a holding area near the wooden fence. JSE staff will assist teachers and walk your student over to you. Family members and parents are not allowed to enter the student dismissal area.
- Please remain in your vehicle the teachers and other JSE staff will bring your student to you.
- Please demonstrate patience with this dismissal process as it will improve with time and practice.

COVID-19 Notifications and Management Plan

Per the MCS COVID-19 Managment Plan, the JSE community will be notified when a student or staff member tests positive for COVID-19, has been in direct contact with a COVID positive person, or developed an accumulation of symptoms.

Following the MCS COVID-19 Management Plan and our continued effort to keep every member of our JSE family healthy and safe, I want to reiterate a few of our health-related policies and procedures.

We request that you keep your child home from school if they have any of the following symptoms:

- fever,
- cough,
- fatigue,
- muscle or body aches,
- headache,
- sore throat,
- nausea or vomiting,
- loss of their sense of taste or smell
- diarrhea
- congestion or runny nose
- shortness of breath

We also request that you keep your child home:

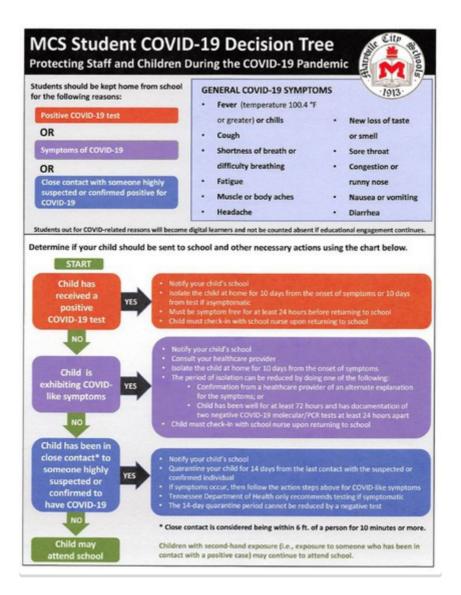

- If they have been tested for COVID, and you have not yet received the results.
- If they have been in direct close contact with a COVID positive person.

Mrs. Easterly and district leaders will work with local health officials regarding confirmed cases of COVID-19. Contact tracing and communication of any confirmed cases of COVID-19 will be managed on a case-by-case basis, in cooperation with local health authorities.

Students that are quarantined based on a close contact exposure will not be required to fulfill the reentry conditions of students who are sent home and quarantined for a combination of symptoms. Students with symptoms or a positive COVID-19 test result will need to follow the re-entry plan before returning to school.

If you have any questions or concerns, please do not hesitate to contact Mrs. Easterly, the JSE Main Office, or the JSE school nurses.

MCS Digital Learning

Maryville City Schools' goal is to provide a virtual learning program that matches the rigor of the traditional classroom. Case in point, our virtual learning program will look a lot different than what students received in the spring. We are proud of the instruction that students received last spring, but our aim is to push virtual learners even further in their virtual studies this year.

Our goal is to ensure that the quality of the virtual learning education mirrors that of what is occurring in the traditional classroom. We hope that it mirrors so closely, that when virtual learners return to traditional learning, they find that they haven't skipped a beat with their peers. Here are some important things to highlight about the Virtual Learning Program:

- The state requires us to provide 7 hours of instructional time to our 1st, 2nd, and 3rd-grade learners and 4.5 hours of instructional time to our Kindergarteners.
- Synchronous or asynchronous learning time both count as instructional time. Synchronous learning is online or distance education that happens in real-time, whereas asynchronous learning occurs without real-time interaction. Zoom is a great example of synchronous learning. A teacher providing a student with an activity to work on without live teacher support is an example of asynchronous learning.
- Maryville's Virtual Learning model will incorporate a blend of synchronous and asynchronous learning. Virtual learners will not be Zooming all day long. Virtual learners may Zoom with their teacher for a little while and then be asked to go work on an assignment on their own or with their guardian.
- Each Digital teacher will be creating their very own Digital Classroom schedule. Their schedules will require students to be on Zoom at specifically scheduled times throughout the day. Each virtual learner needs to be present for these scheduled times in order to be marked present on their attendance.
- Our digital teachers are in the process of calling parents to let them know that their child will be in their class. These digital teachers will be sharing with each parent when their class will be meeting for the first time. They also will be sharing their schedules with parents this week as well.
- MCS takes engagement in Virtual learning very seriously. If a student is not on pace in their virtual learning – they are not participating in online sessions, not completing or attempting assignments, a week behind in work completion, not responding to teacher communications – then the following steps will be initiated.
- 1. Parent/Teacher/Student Conference digitally or on the phone to determine areas of need.
- 2. Should dis-engagement continue, then the Parent and Teacher will develop a two-week action plan for the student identifying the services necessary for the student to be successful. This plan will include weekly face to face sessions in the Digital Learning Lab for the specified course(s).
- 3. Should a student continue to be off track in the course even with an action plan, withdrawal from Digital Learning will be initiated, and the student will return to face to face instruction at school or secure a different school option outside MCS.
