About Me

Welcome to your favorite class!! This is the world of "I LOVE ALGEBRA II". This will be my **37th** year of teaching, and the last 6 have been here at IWA. I have been coaching tennis for **35** years also. This is what I do. I always do my best to make math fun, enjoyable, and easy to learn: because "math **R** not hard – it's all in the way that you look at it". Let's try and make the best of the year we have been given!
