ARRIVING TO CAMPUS

Upon arriving on campus, you will be greeted by your dorm director. Mrs. Thompson (Manson Hall - boys) or Mrs. Fehnel (Alumni Hall - girls). We will conduct a health screening and schedule testing for 72 hours after your arrival. You will be placed in a single room in your dorm, and be asked to quarantine there until we receive a negative COVID test result. We expect quarantine to last about 5 days.

We are following the CDC's guidelines and will be testing and quarantining all boarding students upon their arrival to campus.
