### **Arabic Week-**

Supported the Arabic department through the following activities:  
Grade 4 and 5 reading to K2 and K3  
Story reading, songs and introducing Arabic common words and sentences during break times.

**Two parent presentations** in November on the importance of reading aloud to your child. One for K-G1 and the second one G2-G5

**National Day Scavenger Hunt** in support of PTA and in collaboration with Secondary library for Grade 5-8

**Math Evening** in November Presented to parents on the relation between Literacy and Math and how Math can be taught through stories

Organized three successful **online scholastic book clubs** which helped raise approximately 365 OMR for the school in free books

During **PD days** in February, ABA Libraries hosted the first annual librarian meeting in Muscat which was attended by TAISM, BSM and Our Planet

Supported students during **Grade 5 Exhibition** with Bibliographies as well as expert contacts for personal communication and interviews

Teacher **RAZ Kids** support session in September

**Hosted speakers** to support units of inquiry

**6 Online paid subscriptions and 46 free ones** supported teachers during online learning

### **WORLD BOOK DAY April 23rd!**

Despite the ongoing uncertainty we encountered due to Covid 19, the elementary library managed to deliver a fun filled World Book Day with 36 different online and offline activities for Elementary and 12 different ones for ECE!

**The library was transformed into a flexible multi faceted learning space.** The library holds close to 12,000 titles with 42% aged so therefore the collection was weeded, sent to classroom libraries and the rest was donated to the Ugandan Drive.
