

## Entrance to School

- All parents and students over the age of 12 must show Ehteraz before entering the school premises
- All parents and students are required to wear their masks at all times
- Any student or member of staff with a temperature of 38° C on the monitor will be attended to by the school nurse
- The temperature will be checked again and anyone with a temperature that exceeds 38° C will be required to leave the premises

## Movement Around School

- There will be detailed and clear signage to indicate movement around the school, including reminders of physical distancing and additional safety precautions
- During break times, clear signage will indicate where students are permitted to sit
- Movement around the upper atrium for both staff and students to be anti-clockwise at all times
- Soap, sanitizer, hand towels, and hands-free bins will be placed around school at all times

## Cleaning Procedures

- Deep cleaning will take place each week on Tuesday and Saturday
- The School Nurse will provide workshops for cleaning staff to ensure cleaning standards are maintained
- Regular inspection of classrooms will take place to ensure safety measures are maintained
- Security staff to discuss entrance are to be briefed on procedures for entry to school and the administration of temperature checks
- Cleaning procedures will adhere to those standards indicated by CDC, WHO and MoPH
