

What is the Operation Connectivity Bulk Program?

Provides school districts with the opportunity to purchase hotspots and devices at **negotiated rates from major distributors.**

A central purchase on behalf of school districts allows order **prioritization in supply chain.**

Through this program, school districts will be awarded **matching fund allocations** from the state.

Total # of Devices Requested vs. # of Economically Disadvantaged Students

Items	Quantity	Cost to District	TEA Match	# of Approved Devices
iPads	300	\$57,900	\$57,900	300
Chromebooks	500	\$57,000	\$57,000	500
Laptops	222	\$35,853	\$35,853	222
Hotspots	750	\$67,500	\$67,500	750
Total	1,772	\$218,253.00	\$218, 253.00	100% Approved

Summary of Device Quantities Purchased for Students

Items	Quantity	Funding
iPads	300	Operation Connectivity
iPads	1,076 (216 for Swivls)	2.8 Million
Chromebooks	500	Operation Connectivity
Chromebooks	2,745	2.8 Million
Student Laptops	222	Operation Connectivity
Student Laptops	385	2.8 Million
Hotspots	750	Operation Connectivity
	5,978 Devices	\$3,055,438.56
