## OUR TIME CAPITAL CAMPAIGN

This \$32.5 million-dollar campaign has built a new Upper School Humanities building, a cross-country course and provided security upgrades and enhancements. Our Time is the most ambitious capital campaign in the school's history

and is truly transforming the campus. Through the investment of our community, we've raised nearly \$31 million to date and are scheduled to open the new Lower School building and Campus Quad next fall. To learn more and make your commitment, please visit [ourtimecampaign.com](http://ourtimecampaign.com).

## 2021-2022 ANNUAL FUND

The Annual Fund is the most significant way the school covers operating costs that tuition cannot – tuition covers 87%. The Annual Fund benefits every student and supports many needs like a host of learning tools, materials and equipment for fine arts and athletics, recruiting and retaining faculty and staff, visiting authors and speakers, and experiential learning opportunities.

### We ask Every Bear, Everywhere to support the HIES Annual Fund and meet our goal of \$1,250,000!

This is a vital effort, and we encourage parents that if you can only make one gift this school year that you make it to the Annual Fund. For more information, visit [www.hies.org/annualfund](http://www.hies.org/annualfund)

SCAN TO GIVE NOW

→ Parent participation is tracked by grade and provides a barometer of community support to external funding sources, so we hope all parents will participate in a meaningful way.

→ You can join in the effort by serving as a volunteer on the Annual Fund Parent Committee.

→ The 2021-2022 Annual Fund began July 1, 2021 and ends on June 30, 2022.

→ A special giving society recognizes Leadership Circle level gifts. Members donating \$1,959 or more annually are invited to special events like the State of the School.

## APOGEE

The Georgia Tax Credit Scholarship Program, handled by the Student Scholarship Fund Apogee, allows you to redirect a portion of your Georgia State tax money to the HIES financial aid program. Students who are eligible to receive the aid must be new to HIES and coming from a public school. Our community contributed over \$900,000 this past year. For more information, please visit [www.hies.org/giving/tax-credit](http://www.hies.org/giving/tax-credit)

## EXCELLENCE

A \$150 donation to Excellence is evenly distributed to support the three parent organizations: The Parents' Association, Fine Arts Alliance and Crimson & Gold Booster Club. Excellence has helped provide Primary School playground equipment, campus enhancements such as refinishing the gym floor, iPads for Lower School students, athletic uniforms, unique partnership with the High Museum and much more.

HIES enjoys the support of three wonderful parent organizations: the Parents' Association, the Fine Arts Alliance and the Crimson & Gold Booster Club. We hope you will get involved today! Parent support is critical to the school's success. The organizations host an array of events including fundraisers, celebrations, parent workshops and community service opportunities.

### PARENTS' ASSOCIATION (PA)

The PA supports campus-wide needs such as academic programming, program "extras" that enrich the lives of our students and parents and promotes meaningful communication between our parents and Administration.

### FINE ARTS ALLIANCE (FAA)

The FAA works with HIES music, visual and performing arts faculty to support and enhance the school's Fine Arts programming.

### CRIMSON & GOLD (HIES BOOSTER CLUB)

Crimson & Gold supports the efforts of our sports teams by assisting the Athletics Department in providing equipment, great facilities and other services necessary to promote the objectives of organized team sports.

To learn more, or if you are interested in volunteering with any of these organizations, please visit [www.hies.org/campus-life/parent-organizations](http://www.hies.org/campus-life/parent-organizations)
