Academic Dean: Mr. Mike Harding

College and Career Guidance Counselor: Mr. William Roundey

Athletic Director: Dr. Ryan Nowlin

Director of Enrollment Management: Lieutenant Colonel Greg Seibert, MMA

Accredited by the Independent Schools Association of the Central States (ISACS)

GENERAL OVERVIEW

Founded in 1889, Missouri Military Academy (MMA) is a private all-boy college preparatory academy that serves grades 7 through 12 grades, with a post-graduate year. Located in a safe and peaceful setting in rural Missouri, MMA educates young men from around the world who seek college preparatory and career readiness programs using a military educational model employing structure, self-discipline and accountability. Our 360° Education™ focuses on academic excellence, self-confidence, character development, physical development, personal motivation and leadership training to prepare young men to take command of their personal lives and their future.

FACULTY

Our highly dedicated and qualified faculty are very familiar with boys' academic needs and relational teaching. They provide one-on-one tutoring, guided study hall and academic advising on a weekly basis. More than half of our faculty have post graduate degrees. They are dedicated to the intellectual, social development and growth of each cadet.

CLASS SIZE AND STUDY HALL

The average class has 14 cadets with many classes having less than 10 cadets. Mandatory supervised study halls are held every evening, Sunday through Thursday, from 7:15 p.m. to 8:30 p.m. in the barracks. This focused time allows for the development of personal responsibility, individualized attention and the establishment of strong teacher-cadet relationships.

CURRICULUM

Our curriculum encompasses the breadth and depth of providing a well-rounded liberal arts education while meeting Missouri state graduation requirements. Particular emphasis is placed on speech and writing across the curriculum, STEM and Project Lead the Way, business, language and fine arts. Cultural assimilation and understanding is incorporated into our curriculum through domestic educational tours. Juniors and seniors may take college dual-credit, trade and fine arts courses through William Woods University, Hart Career Center, and Presser Performing Arts Center. Qualifying cadets can simultaneously earn high school diplomas and have the potential to earn credits towards an associate degree by enrolling in MMA's Triumph Program.

Our curriculum is designed to support our 360° Education™ and provide a challenging academic environment that supports the development of life skills. The presence of our international student population provides a global perspective for every cadet and a wonderful educational experience.

PROGRAM OF STUDIES

Our academic program is delivered through a 4x4 block schedule that requires cadets to take four courses each semester, enabling cadets to take eight courses every school year. This format provides cadets many diverse academic opportunities.

ARMY JROTC

The Academy's Junior Reserve Officer Training Corps (JROTC) program, recognized as an "Honor Unit with Distinction," is an integral part of our curriculum and focuses on leadership and citizenship education. The JROTC Leadership, Education and Training (LET) courses are required for all cadets in grades 9 through 12.

EDUCATIONAL TECHNOLOGY

The Koster Global Media Center supports the use of the latest educational technology. Every cadet is provided a laptop computer to enhance their educational experience and familiarity with software packages and the latest educational resources. Google classroom is regularly used in all classes. The majority of the academic classes use electronic textbooks.

EXTRACURRICULAR ACTIVITIES

Varsity sports include the following: football, soccer, cross country, basketball, wrestling, baseball, tennis, swimming, track, and golf. Other activities include: Boy Scouts of America, a nationally recognized rifle team, drill team, Raiders team, horseback riding, photography, student government, Cyber Patriot, Missouri Boys State, bagpiping, and Future Business Leaders of America.

COMMUNITY SERVICE

Staff, faculty, and cadets are involved in a robust community service program. Middle school cadets are required to earn 10 hours of community service each academic year, and high school cadets are required to earn 20 hours each year. Two cadet Community Service Days are scheduled annually to help cadets reach their service goals, and to instill an ethos of service before self. Cadets also participate in service learning projects coordinated by the JROTC Department.

ACADEMIC RECOGNITION

Academic achievement is recognized through both the National Honor Society and MMA's Delta Phi which recognizes our top academic performers throughout the school year.

The Academy's successful Future Business Leaders of America Club consistently competes and earns honors in state competition. Our band has regularly been recognized for its outstanding performance, and has earned top honors in the National Military School Band and Choir Festival for the past three years.

COLLEGE ACCEPTANCE

Year after year, MMA celebrates a college acceptance rate of 100% with our graduates.

GRADUATION REQUIREMENTS

English	4	JROTC/LET	4
Mathematics	3	Physical Education	1
Science	3	Practical Arts	1
Social Studies	3	Electives	3
Fine Arts.....	1	Health	½
Personal Finance	½		

Total: 24 credits

Providing a 360° Education™

GRADING SYSTEM

Numeric score	Letter Grade
97 - 100	A+
93 - 96	A
90 - 92	A-
87 - 89	B+
83 - 86	B
80 - 82	B-
77 - 79	C+
73 - 76	C
70 - 72	C-
