

CAREER & TECH

REOPENING UPDATE

WE'RE READY FOR YOU.

WEDNESDAY,
SEPTEMBER 9TH

will be the first day of school for
both Technical and Career Center
campuses.

- Both campuses will be open 5 days a week for in-person instruction.
- This year only, students will be allowed to drive themselves.
 - Passes will be issued and signed by the homeschool administration. Students, parents/guardians and Tech Center administration will sign as well.
 - Students are requested to arrive during the listed bussing windows and obey all conditions listed on the pass.
- We expect school to be different this year, so we would like your child to view [this video](#) prior to returning to school so they are prepared.

Reminders:

- All students are **required to wear masks** any time or place social distancing cannot be maintained.
 - *If your child is unable to wear a mask you should complete the mask exemption form ([linked here](#)) and submit it to your school principal so that an individualize plan can be developed.*
- The facilities department will properly sanitize all areas of the buildings, paying attention to high-touch surfaces in between AM and PM sessions.

Please read the following details for each
