

PTECH

PATHWAYS TECHNOLOGY
EARLY COLLEGE HIGH SCHOOL

REOPENING UPDATE

WEDNESDAY, SEPTEMBER 9TH
will be the first day of school for all
Wayne-Finger Lakes BOCES programs.

All Wayne-Finger Lakes BOCES sites and instructional programs will be open 5 days a week for in-person instruction.

We expect school to be different this year, so we would like your child to view [this video](#) prior to returning to school so they are prepared.

Reminders:

- All students are **required to wear masks** any time or place social distancing cannot be maintained.
 - *If your child is unable to wear a mask you should complete the mask exemption form ([linked here](#)) and submit it to your school principal so that an individualized plan can be developed.*
- The facilities department will properly sanitize all areas of the buildings, paying close attention to high-touch surfaces.

WE'RE READY FOR YOU.

Please read the following details carefully:

PTECH students will have in-person instruction 5 days a week.

Doors to PTECH will open at 7:45 am for student arrival and students will be dismissed starting at 1:45 pm.

Students taking FLCC classes will be learning and participating in classes in a variety of different formats this year. These will include:

- Hybrid (class in-person and online)
- Synchronous (class is held online and requires students to log in certain days and times)

All students will be required to wear a mask and follow social distancing protocols at all times while in school and on the bus.

We appreciate your support, patience and flexibility during these times as we work to Make Success Possible for all students, staff and Districts.
