Re-Opening Plan Update  
School Survey  
Happy 4th of July

July 3, 2020

Dear Davis Waldorf School Families,

Thank you for attending our Community Meeting on Tuesday, your questions and feedback were valuable in moving us forward in the planning process. It means a great deal to understand what families need to know, thus helping us prioritize.

Our re-opening plan has progressed with the health and wellness of students, teachers, staff, and wider community at the center. Here is our [Re-Opening Plan](#) to date. We will be adding to this plan over the coming weeks as our research continues, and decisions are made final.

Please attend our Community Meeting on July 28th, 7:30 pm, for more updates. The zoom link will be forwarded as the date nears.

If you have new suggestions and continued questions surrounding the school's response to COVID-19, please use the contacts below and/or complete our [survey](#) that remains open as a means to collect feedback and questions. Please take 5-10 minutes to complete this survey. It will provide us with vital information and feedback about

our programs, including your School Away from School experience. We will incorporate this feedback into our planning. Please complete the 15-question survey by Friday, July 10th. Your responses are confidential.

### **School Calendar**

Here is a [link](#) for the calendar for the 2020/21 school year, we have built in two weeks of flex time to allow for potential closure.

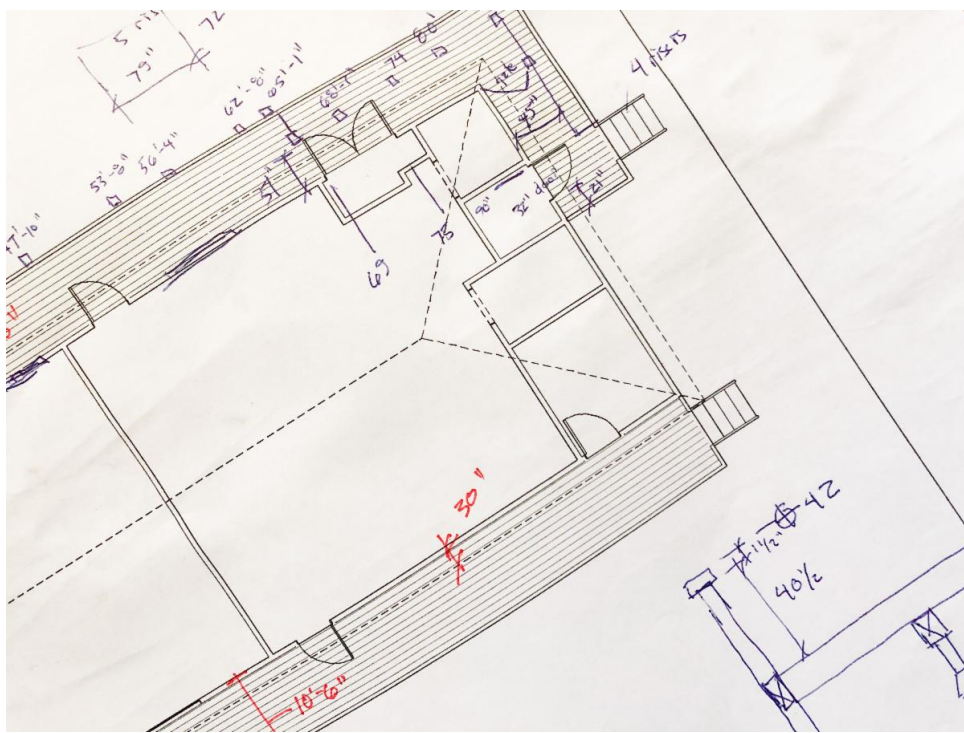

### **Campus renovations are underway to keep the school open**

We intend to provide every possibility that the school can remain open during the next school year, as pandemic guidelines permit. To provide that possibility, we are creating beautiful outdoor spaces and making other campus improvements. These construction projects and improvements are to mitigate the spread of COVID-19 on our campus.

We're creating a new preschool yard and a second covered, outdoor eating area. Similarly, we are developing a second kindergarten yard and outdoor eating area. The grades will also have new covered outdoor spaces.

A special thank you to members of the Site Committee who are donating their time and expertise, Reza Assakereh and Steve Byars. Thanks also to our dedicated school staff, Ben Chavez and Bill Critchfield.

### **Yearbook Pick Up**

Yearbooks have arrived and are amazing. A huge thank you to Mrs. Haberman for creating them. We are hosting a drive by pick up on Wednesday, July 8. Please drive through between 9:00am and 11:00am.
