Mr R S Samra B.A., M.A.

Dear student,

By the time you read this letter you will have seen your results. I hope they are a source of pride, and allow you to move onto your chosen destination.

I want to assure you that these results are as valid as any GCSE result ever achieved. You have worked hard over the years to attain these results, and should be proud of your achievements. Your teachers spent many hours taking into consideration numerous factors before settling on these grades. These grades were then checked by Heads of Department and the Senior Leadership team before being signed off by myself and sent to the Exam boards.

I hope the fact that such a rigorous and professional process went into the allocation of these grades gives you increased confidence that they are fully deserved.

If you do have any enquires regarding your grades please contact the exam office on the following email [russell.l4@welearn365.com](mailto:russell.l4@welearn365.com).

Finally I wish all the very best in the future, and well done again.

Mr Samra
