Our first day for school for Hybrid and 100% Online Parkland students is Monday, August 31st. Our Hybrid Group A students will be face to face and our Hybrid Group B and 100% online students will be virtual. Please check out the [Elementary Hybrid Calendar](#) to see the days your child(ren) will have face to face instruction at school and which days your child will log into school remotely.

Please know the staff at Schnecksville will ensure all our students are growing academically, socially and emotionally during this unprecedented school year. We look forward to working with you as we show our Sharks that we can persevere and overcome obstacles to meet our goals.

We'll see you very soon!
