

Information for Reserve Teachers

We offer several self-paced courses for our reserve teaching staff that will fulfill the state requirement re-licensure hours for mental health, suicide prevention, literacy, ELL, differentiation, and PBIS. Each course takes two hours including learning time and time to complete a reflective statement. After submitting the assignment, two clock hours will be awarded via a certificate of completion. These self-paced courses can be completed at your own pace, on your own schedule.
