

HOTSPOT CHECK OUT

Unlike iPads/laptops, hotspots are issued by Library Services. Please send an email to set up a hotspot pick-up time at your student's campus in the front office. At this time, phone lines for the library may not be connected while still under renovation.

Email library@staffordmsd.org with your student name, grade level and "Hotspot" in the subject.

One hotspot will be distributed per household and can handle up to 6 devices.

District Librarian, H. Shane Kenney

1633 Staffordshire Road
