

2020-2021 PTSA Meeting Schedule

At this time all meetings will be on Zoom until further notice. Reminders and invites will go out closer to each meeting. The PTSA meetings include financial reporting, updates from various committees, updates and information from the PTA Council (District) and relevant agenda items depending on the time of year. The Academic Committee is one of the PTSA's committees. Its monthly meetings often feature guest speaker(s) from York faculty/administration for discussion of academic initiatives at York High School.
