Information and Policies

ATTENDANCE

Regular and consistent attendance is essential for student growth and achievement. Under Utah law, it is the responsibility of parents or guardians to ensure that their children are punctual in attending school each school day. Please call 402-2006 if your child is or will be absent. Parents will be notified of unexcused absences by an automated calling system which is activated each school day at 10 a.m. Beginning in first grade, a student who misses 11 days or 10 consecutive days during a school year may receive a certified letter and be referred to DCFS.

ARRIVING TO SCHOOL

Students should not arrive at school before 8:15 a.m. because limited supervision is available. Parents are welcome to wait with their children on the playground. At 8:45 a.m. students will line up at their grade level doors and wait for teachers to invite their entry into the building. Classroom instruction begins promptly at 8:50 a.m. Breakfast service starts at 8:20 each school morning, and students intending to eat breakfast should enter the building through the south-east door, which is the one nearest the cafeteria.

STAYING AFTER SCHOOL

All students are encouraged to go home directly after school. Teachers or staff members do not ask or require children to stay after school for any reason without specific approval from parents.

LEAVING SCHOOL EARLY

The office does not dismiss unattended children, but children may come to the office and wait for a parent or other designated adult to sign them out. We **cannot** check students out with a telephone call. Parents and designated adults will be asked to show proof of identification before taking a student from school.

CLASS ASSIGNMENT

Each student is assigned to an appropriate grade-level class. Additional supports are available for both advanced and struggling students. Parents and guardians are strongly encouraged to work closely with their student's classroom teacher to resolve any concerns. The principal, assistant principal, school counselor, school psychologist, and other education specialists are also available for consultation and additional support.

VISITORS and VOLUNTEERS

For the safety of our students, parents, and members of the school staff, all visitors and volunteers are required to check in at the office, have a temperature check, sign a Covid-19 questionnaire, wear their volunteer badge and mask while in the building.

CLASSROOM VISITS

Parents are welcome at Canyon Creek Elementary, but teachers expect advance notice of classroom visits. Please check in with the office and obtain a visitor or volunteer badge before proceeding to any other part of the school. District policy prohibits school-age relatives and friends from attending class with enrolled students.

HOMEWORK

Teachers follow the Davis School District Homework Guidelines. Homework is an important part of the educational program and provides students the opportunity to develop responsibility, good study habits and mastery of developing skills. Homework is encouraged and will be used to extend and expand the activities presented during the instructional day. Specific assignments will vary and depend upon individual grade levels, but in general students should be expected to do daily homework as indicated here:

<u>Grade</u>	<u>Cumulative Minutes per School Day</u>	<u>Purpose(s)</u>
Kindergarten	0- 10	Study Skills and habits
1 – 2	10 -20	Study Skills and habits
3 – 4	30 – 40	Basic skill building Study skills and habits
5 – 6	50 - 60	Basic skill building Preparation Skill integration

Estimated homework time is in addition to daily reading practice. Homework assignments for sixth graders are particularly important as they begin to assume responsibilities critical for their success in junior high school.

DRESS CODE

Canyon Creek Elementary recognizes the importance of school, parent, and student collaboration in encouraging students to come to school dressed appropriately. School officials may prohibit the following types of dress or grooming at school or school activities:

- Clothing, hair, and body should be neat and clean.
- Extreme or slovenly clothing or excessive, distracting grooming, including but not limited to,
- Extreme hairstyles that become distracting in the classroom are not allowed.

- Hats (including bandanas) may not be worn in the school building. Other head accessories may not be wider than 2 inches.
- Extreme low-rider, sagging or baggy pants or shorts may not be worn.
- Underwear should never be seen.
- Clothing must be school appropriate. Muscle tanks, halter-tops, spaghetti straps, and midriff tops are not allowed. Shorts may be worn, but must have at least a 2"

inseam. Boxers, briefs, or bicycle/spandex shorts are not allowed. Underwear should never be seen.

Good manners in the lunchroom are expected and are monitored by a supervisor and administration. The very few children whose behavior is inconsistent with good manners may lose lunchroom privileges.

Davis School District – Farmington, Utah Meal Charges in Schools

The purpose of these procedures is to establish consistent meal charging and collection procedures districtwide. The District's goals are:

- To maintain a positive experience for students during meal service.
- To treat all students with dignity and respect.
- To establish practices which are age-appropriate.
- To minimize meal charges and encourage parents to pre-pay for all meals.
- To promote parents' responsibility for meal payment and self-responsibility of the student.

Meal Accounts: Payment in advance for meals enables the District to achieve these goals. Personal checks and cash deposits are accepted daily at the schools. For convenience, deposits may also be made by credit/debit card through a parent's my.DSD account.

Emergency Meal Service: The Board of Education acknowledges that on occasion, students may forget or lose meal money. In such cases, the student's statement of need shall be accepted and a meal will be made available. School lunch employees shall not, withhold a meal, provide an alternate meal, pull a student from the line, ask the student to call his parent or friend, stamp the student's hand, or otherwise call attention to the student who has forgotten or lost meal money. A school lunch employee may remind a student **attending a secondary school** that his account is in the negative. **The cost of the unpaid meal will be charged to the student's account.**

Evaluate Individual Circumstances: When a student repeatedly comes to school without a meal from home or money to participate in the school meal program, school administrators should consider if circumstances in the home warrant contacting social workers or Child Protective Services. Frequent requests may indicate the family's need for free- or reduced-price meals. School administrators may work with the family to apply for school meal benefits. **All meals eaten before a free- or reduced-price meal application is processed and approved are the responsibility of the parent and must be paid for.**

Repayment for Meal Charges and Bad Checks: Federal guidelines prohibit the Food and Nutrition operation from writing off bad debts as a result of charged meals. Every effort will be made to collect for unpaid meals. Unpaid meal charges may result in the following:

- An automated telephone call to the parent.
- An email sent to the parent.
- A verbal reminder to student attending a secondary school.
- School lunch manager contact parents by phone or notes in teacher mail boxes.
- In case of significant delinquent payments, a letter will be sent home from the Food and Nutrition Department.

Parents are responsible to pay all of their student's meal charges. All unpaid charges will be added to the list of any outstanding fees or unpaid fines at the

end of the school year. **Uncollected meal charges shall be handled the same as other school debt.**

NUISANCE ITEMS

Toys, including, but not limited to, fidgets, spinners, Pokeman or other trading cards, Legos, Barbies or other dolls, and Kadas, radios, electronic games, walkie-talkies, cameras, iPods, fingernail adhesive or super glue, etc., **should not be brought to school or taken out to recess.** These items are a cause of concern because they can disrupt school and/or contribute to the injury of students. The one exception is for regular classroom "show and tell." Adult staff members may take these items and return them only to a parent or guardian. However, **bicycles may be ridden to and from school--but not on district property.** During the school day they must remain locked in the bike rack. The school is not responsible for any lost or stolen property.

BEHAVIOR EXPECTATIONS

Good behavior is the focus at Canyon Creek Elementary! Our rules are:

BE SAFE BE KIND BE RESPECTFUL BE RESPONSIBLE BE SUCCESSFUL	Each teacher has a discipline plan outlining expected student behaviors and consequences which will be shared with parents at Back to School Day. School-wide expectations are centered on good manners that promote a positive atmosphere in the school, and a safe, kind, respectful, and responsible attitude for self and others. Fighting, swearing, bullying, disrespectful comments or gestures, stealing, and acts of vandalism could result in suspension or expulsion.
---	--

Students may be suspended, transferred to an alternative placement, expelled, referred for police investigation, and/or prosecuted for engaging in any physical or verbal aggression, intimidation, or discrimination of any school employee or student at school or a school-related activity regardless of location or circumstance, including but not limited to bullying, cyber-bullying, hazing, or sexual, racial, ethnic, religious, or disability-related harassment.

RECESS

Recess is part of the school curriculum, and children are expected to participate in supervised recess activities unless there is a health care plan on file in the office or a doctor's note is provided to the teacher.

Students should not bring toys from home. However, sports equipment may be brought from home. It must be labeled with the student's name and is brought to school at the student's risk. The school is not responsible for any lost, stolen, or damaged sports equipment brought from home. The school provides all play equipment that is approved for recess use.

Students should come to school dressed appropriately for the weather, with jackets or coats, hats, gloves, boots, etc. When weather is too severe for children to be outside, an indoor or classroom recess may be held.

DISCIPLINE

Recognizing and encouraging good behavior and taking corrective action when necessary maintains good discipline. We expect children to conduct themselves in a manner that will promote a safe and orderly environment. Guidelines of expected behavior are posted at school and are taught to the children.

LIBRARY

Each class has a weekly scheduled library time. Students in grades K - 1 may check out one book at a time. Students in 2nd grade may check out two books. Students in grades 3-6 may check out three books. Students are encouraged to bring books back each week on their library day and are responsible for the books they check out. Fines may be assessed for damaged or lost books.

SCHOOL-WIDE POSITIVE REINFORCEMENT PLAN

Positive reinforcement, student recognition and healthy self-esteem are important parts of our school-wide discipline plan. Exemplary students are recognized daily as Firebird 200 Club Members.

1st SEP Conference..... Nov. 4 & 5, 2020

information card. (Please be sure to inform the school of any changes to your contact information.) The school is limited to first aid only. Please review the [Davis School District Illness Protocol](#) on pages 11 and 12 of this document for additional information.

TELEPHONE USE

Telephones are available in each classroom and the office for school use and for emergencies. Students must have teacher permission to use telephones. Cellular phones, pagers, walking talkies and other electronic communication devices are not to be used during the school day without teacher permission. These items will be confiscated if they are misused (please see the [Canyon Creek Elementary Electronic Device Policy](#) below).

It is best to contact teachers by phone either before or after school. During the school day teachers are asked to send all calls directly to voicemail in order to focus on classroom teaching. Please help us keep the school day uninterrupted. If an emergency arises, contact the office personnel at 801-402-0300, and a message will be relayed to your children.

Please note all calls originating from Canyon Creek Elementary show up as coming from one number on the receiver's caller ID. Our office staff regularly receives calls from concerned parents who have seen the school's number on caller ID without a corresponding message. It is impossible for office staff to know from where in the building a call originated--or who placed it--unless the call came from the office. Student access to classroom phones is limited. Please help us encourage your children to leave messages on those rare occasions when they need to reach you during the school day. You can also help us by ensuring that contact information stays up to date.

BICYCLES

A bicycle area is provided at the school. Students use this area at their own risk. We cannot assume responsibility for stolen or damaged bicycles. Students riding bicycles to school must follow the procedures stated below.

1. Bicycles are not to be ridden on school grounds.
2. Bicycles must be locked in the bicycle racks.
3. Report any thefts immediately to the West Bountiful Police Department.

FIELD TRIPS

Field trips provide the opportunity for students to learn, grow, and develop outside of the classroom. Classroom teachers will send permission slips home. Students may not participate in field trips without signed permission slips.

CROSSWALKS/PEDESTRIAN SAFETY

Our students' safety is our primary concern. Students should follow routes established by the school's SNAP plan which can be accessed through the school's website. Depending on where you live, your student may have to cross busy streets at the designated crosswalks. It is very important that parents teach their children how to be

safe pedestrians—looking both directions before crossing, staying on sidewalks, crossing at cross walks, etc.

Please do not drive into the bus loading area to drop off or pick up students. The loading/drop off area is for buses only. Parents who drop off or pick up students in both parking lots must exercise extreme caution: the combination of pedestrians, private automobiles, and buses is potentially hazardous.

The District Transportation Department provides buses for students living more than 1.5 miles from the school. If you would like to know if your residence is eligible for busing or where the bus stop is located, or what time the bus will come, you can log on to the District web site at

<http://businfo.davis.k12.ut.us/Students/BasicTransBoundarySearch.aspx>

You can also access the most current bus information on your student's myDSD account.

Good manners on the bus are expected and monitored by the bus driver and bus duty supervisor. The few students whose behavior is not consistent with good manners may lose bus privileges.

Canyon Creek Elementary School-wide Behavior Management Plan

Canyon Creek Elementary School Electronic Devices Policy

Electronic devices have become a common means of communication and information access in today's society. However, these devices have the potential of disrupting the orderly operation of the school. The school has therefore created this policy to govern student possession and use of electronic devices on school premises, during school hours, at school-sponsored activities, and on school transportation.

For purposes of this policy "Electronic Device" means any privately owned wireless and/or portable electronic handheld equipment that includes, but is not limited to, existing and emerging mobile communication systems and smart technologies (cell phones, smartphones, walkie-talkies, pagers, etc.), portable internet devices (mobile managers, mobile messengers, BlackBerry™ handset, etc.), Personal Digital Assistants (PDAs) (Palm organizers, pocket PCs, etc.), handheld entertainment systems (video games, CD players, compact DVD players, MP3 players, Blue Tooth devices, iPods ©, Walkman™ devices, toys such as "Giga Pets," etc.), and any other convergent communication technologies that do any number of the previously mentioned functions. Electronic devices also include any current or emerging wireless handheld technologies or portable information technology systems that can be used for word processing, wireless Internet access, image capture/recording, sound recording and information transmitting/receiving/storing, etc.

Students that choose to bring phones to school must keep them turned off and in their backpacks. Phones remain turned off (not on silent mode) in packs from the time students enter the building to the time of exit. If a student possesses a cell phone during the school day, it will be confiscated, and the cell phone will only be released to an adult. All personal items, including cell phones, are not covered by school insurance and school personnel cannot guarantee their safe keeping.

- At no time may electronic devices be used in restrooms, at lunchtime or at recess.
- At no time may electronic devices be used in a school bus or in other school-provided vehicles of transportation in any way that might interfere with or distract the driver.

Electronic devices shall not be used in a way that threatens, humiliates, harasses, or intimidates school-related individuals, including students, employees, and visitors, or violates local, state, or federal law. **This includes phone calls or text messages made or sent from the device. As a school partner, we strongly encourage parents to monitor their students' usage at home.** This includes use in school buses or other district-provided transportation. Electronic devices may not be used during assessments or other testing situations unless specifically allowed by law, student IEP, or assessment directions.

If a student violates this policy, his or her electronic device may be confiscated. When an employee confiscates an electronic device under this policy, that employee shall take reasonable measures to label and secure the device and deliver it to a school administrator as soon as the employee's duties permit. The electronic device will be released to the student's parent or guardian after the student has complied with any other disciplinary consequence imposed.

Violation of this policy can result in discipline up to and including:

- Suspension or expulsion from school and notification of law enforcement authorities.
- Prohibition from possession of an electronic device at school or school-related events.
- Confiscation of misused devices for increasing periods of time for subsequent violations.
- Loss of privileges of participation in extra-curricular activities.
- Disciplinary consequences consistent with a school-wide discipline program.
- Loss of honor privileges or recognition.
- Notification of law enforcement officials, at school's discretion, if circumstances warrant.

Students shall be personally and solely responsible for the security of electronic devices brought to school. The school shall not assume responsibility for theft, loss, damage, or unauthorized calls or other use made with an electronic device. If devices are loaned or borrowed and misused by non-owners, device owners are jointly responsible for the misuse or policy violation(s).

Individuals wishing to report a violation of this policy should contact a school administrator.

Camera or audio recording functions of electronic devices may pose threats to the personal privacy of individuals, may be used to exploit personal information, or compromise the integrity of educational programs. Accordingly, **the use of the audio recording or camera functions of electronic devices is strictly prohibited on school premises at all times.**

With prior approval of the principal, the above prohibitions may be relaxed under the following circumstances:

- The use is specifically required to implement a student's current and valid IEP or 504 plan.
- The use is at the direction and under the supervision of a teacher for educational purposes.

- The use is determined by the principal to be necessary for other special circumstances such as health-related reasons or emergencies.

If the school administrator determines sufficient evidence exists to impose discipline the school administrator shall notify the parent or guardian that: 1) the student has been suspended; 2) the grounds for the suspension; 3) the period of time for which the student is suspended; and 4) the time

and place for the parent or guardian to meet with a designated school official to review the suspension.

SEARCH AND SEIZURE

School officials have the authority to search a student's person, personal property, or vehicle while located on school property or at a school sponsored activity, when they have reason to believe that the search will turn up evidence that the student has violated or is violating a particular law or school rule.

Students have no right or expectation of privacy in school lockers, desks, or other storage areas provided for student use. School lockers, desks or other storage areas are the sole property of the Davis School District and **Canyon Creek Elementary**. Periodic general inspections of lockers, including the use of drug detecting canines, may be conducted by school authorities for any reason at any time, without notice, without student consent, and without a search warrant.

EXTRACURRICULAR ACTIVITIES

Participation in interscholastic athletics, cheerleading, student government, student clubs, graduation ceremonies, and other extracurricular activities is not a constitutionally protected civil right. Therefore, students who are suspended, transferred to an alternative placement, or expelled, may lose the privilege of participation in all extracurricular activities during the period of discipline and will not be afforded due process procedures to challenge the denial of participation.

COMPULSORY EDUCATION REQUIREMENTS

A parent or legal guardian having custody over a school-age minor is required under State law to enroll and send a school-age minor to a public or established private school during the school year in the district in which the minor resides. The process of education requires continuity of instruction, class participation and study. Frequent absences from classes disrupt the instructional process. Parents/guardians are encouraged to work with the school in promoting regular attendance of all students.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT

Student Education Records

The Family Educational Rights and Privacy Act (FERPA) is a Federal law designed to protect the privacy of a student's education records. FERPA gives parents certain rights with respect to their children's education records. These rights are:

Inspect and review all of their student's education records maintained by the school within 45 days of a request for access.

Request that a school correct records believed to be inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.

Parents who wish to ask the school to amend a record should write the principal or appropriate school official, clearly identify the part of the record they want changed, and specify why it should be changed. If the school decides not to amend the record as requested by the parent, the school will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment.

Provide consent before the school discloses personally identifiable information (PPI) from a student's record, except to the extent that FERPA authorizes disclosure without consent.

Such exceptions include, but are not limited to:

- [a] school officials with legitimate educational interests;
- [b] other schools to which a student is transferring;
- [c] individuals who have obtained court orders or subpoenas;
- [d] individuals who need to know in cases of health and safety emergencies;
- [e] official in the juvenile justice system;
- [f] a State agency or organization that is legally responsible for the care and protection of the student;
- [g] specified officials for audit or evaluation purposes; or
- [h] organizations conducting studies for or on behalf of the District.

A school official is a person employed by the District as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving as a volunteer; a person serving on the District School Board; a person or company with whom the District has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist), or to whom the District has outsourced institutional services or functions. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Student Directory Information

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, may be released at the discretion of school officials, without consent, for appropriate reasons such as, school publications, newspaper articles, and to outside education related organizations. In addition, two federal laws require secondary schools to provide military recruiters, upon request, the names, addresses and telephone listings of their students.

The Davis School District has designated the following information as directory information: 1) student's name, 2) student's address, 3) student's telephone number, 4) date of birth, 5) parent email address, 6) participation in officially recognized activities and sports, 7) weight and height of members of athletic teams, 8) degrees and awards received, 9) photograph, 10) most recent educational institution attended by the student.

If you, as a parent, do not want **Canyon Creek Elementary** to disclose directory information from your child's education records without your prior written consent, you must notify the school in writing annually.

Davis School District – Farmington, Utah Meal Charges in Schools

The purpose of these procedures is to establish consistent meal charging and collection procedures districtwide. The District's goals are:

Last Updated August 17, 2020

- To maintain a positive experience for students during meal service.
- To treat all students with dignity and respect.
- To establish practices which are age-appropriate.
- To minimize meal charges and encourage parents to pre-pay for all meals.
- To promote parents' responsibility for meal payment and self-responsibility of the student.

Meal Accounts: Payment in advance for meals enables the District to achieve these goals. Personal checks and cash deposits are accepted daily at the schools. For convenience, deposits may also be made by credit/debit card through a parent's my.DSD account.

Emergency Meal Service: The Board of Education acknowledges that on occasion, students may forget or lose meal money. In such cases, the student's statement of need shall be accepted and a meal will be made available. School lunch employees shall not, withhold a meal, provide an alternate meal, pull a student from the line, ask the student to call his parent or friend, stamp the student's hand, or otherwise call attention to the student who has forgotten or lost meal money. A school lunch employee may remind a student **attending a secondary school** that his account is in the negative. **The cost of the unpaid meal will be charged to the student's account.**

Evaluate Individual Circumstances: When a student repeatedly comes to school without a meal from home or money to participate in the school meal program, school administrators should consider if circumstances in the home warrant contacting social workers or Child Protective Services. Frequent requests may indicate the family's need for free- or reduced-price meals. School administrators may work with the family to apply for school meal benefits. **All meals eaten before a free- or reduced-price meal application is processed and approved are the responsibility of the parent and must be paid for.**

Repayment for Meal Charges and Bad Checks: Federal guidelines prohibit the Food and Nutrition operation from writing off bad debts as a result of charged meals. Every effort will be made to collect for unpaid meals. Unpaid meal charges may result in the following:

- An automated telephone call to the parent.
- An email sent to the parent.
- A verbal reminder to student attending a secondary school.
- School lunch manager contact parents by phone or notes in teacher mail boxes.
- In case of significant delinquent payments, a letter will be sent home from the Food and Nutrition Department.

Parents are responsible to pay all of their student's meal charges. All unpaid charges will be added to the list of any outstanding fees or unpaid fines at the end of the school year. Uncollected meal charges shall be handled the same as other school debt.
