## School and Community

Maryville is a four-year public high school located 20 miles south of Knoxville and is the only high school in the Maryville City Schools district. Maryville High School houses 10th, 11th, and 12th grade students, while Maryville Junior High School serves the district's 8th and 9th grade students. A large percentage of Maryville residents are college graduates working as business executives and professionals.

Maryville High School's mission is to develop scholarship, character, leadership, and service. We set high expectations, challenge each other, encourage creativity, reward hard work, believe in dedication, evolve and adapt, value community, and celebrate our past. Our school is consistently ranked among the top 1% of public and private schools in Tennessee. In addition, Maryville High School has been recognized for Advanced Placement course enrollment growth and student achievement.
