Dear Parent / Guardian:

August 18, 2020

Welcome to MAPS Preschool! Much planning and preparation has been done to ensure a great start to the school year and we look forward to partnering with our families in greater communication and engagement. This communication will begin with an entrance conference, which is designed to give parents, students and staff the opportunity to share goals, concerns, interests, information, and safety protocols. Your child will attend this entrance conference with you.

District guidelines for limiting visitors into buildings, social distancing and mask wearing will be in place. Only students new to our program will have face to face conferences with the teacher at the classroom site. All others will be set up in a virtual meeting. When you book your conference you will indicate if this is your child's first time in our program. Returning students to our program will receive an email invite to attend virtually.

Your child's teacher welcome letter was included in your mailed packet of forms. You will need the teacher's name and site your child will attend when you log into the booking app. If you are unsure, please contact our office 507-625-4620. Each teacher has a conference schedule on the site and you will be able to select the best conference time for your family. We are excited to bring greater convenience to our families with this online booking option.
