

Clinical Observation Hours:

(for observation purposes only)

- Not considered essential for attending in person
- Must complete the Human Resources Educational Placement application
- EPP students work with their EPP to find alternate ways to meet requirements (i.e. videos of teachers)

Field Experience Hours:

(students are assigned to cooperating teacher for observation and instruction prior to full time student teaching)

- Not considered essential for attending in person
- Must complete the Human Resources Educational Placement application
- Will be provided access to participate remotely with cooperating teacher

Student Teaching/Student Services Interns: Counselors, Social Workers, Related Services:

(students are full-time with partnership teacher)

- Considered essential for attending in person and remotely with their assigned cooperating teacher. This is conditional upon appropriate social distancing in the classroom, PPE, and health screening requirements at the work site.
- Must complete the Human Resources Educational Placement application
- Will be provided a virtual orientation with relevant board policies and district information
- Will receive a NHCS email account and access to Learning Management Systems

NOTE: Should follow Home Health Screening Requirements and not report in person if sick. Will be screened at district school.

University Supervisors: (visitors not allowed on site)

- Observe/evaluate the asynchronous teaching and learning activities provided by the student teacher to the students.
