

## Dates we have targeted for in-person learning and activities

*State-mandated COVID metrics must be met to resume in-person learning/activities.*

August 31 - Meal delivery and pickup sites are operational. Students, staff and families connect and learn about remote learning plans and schedules.

September 8 - Students begin online instruction through Comprehensive Remote Learning.

October 5 - The district's target date for the return of K-3 students to full-time in-classroom learning. State-mandated COVID metrics must be met. Earliest date students can resume participation in athletics and extracurricular activities.

November 2 - The district's target date for the return of students in grades 4-12 to in-classroom learning. State-mandated COVID metrics must be met. Students in 4-5 would return to full-time in-classroom learning; students in grades 6-12 would attend through a hybrid model of part-time remote and part-time in-person.
