# Note From Your Teacher

Hi everyone, I am Mrs. Tetelpa, your 3<sup>rd</sup> grade teacher.

I am so excited for this school year! I know there will be some changes that we will all have to get used to; together we will be able to handle whatever is thrown our way.

Unfortunately, I will not be able to start out the school year with you; I just had a baby boy who needs me to stay home with him for a few weeks. Your substitute, Mrs. Knight, will take great care of you. She will let me know how things are going and if there is anything you need.

I look forward to getting to know you and watching you grow this year! I believe each of you will do AMAZING things this year and throughout your life!

A decorative border of colorful cupcakes surrounds the text. The cupcakes are in various colors including light blue, pink, yellow, and white, with different frosting designs like swirls and roses.

## Morning Line up

In the morning we line up at the outside the doors by the Library & Cafeteria. Our class lines up on your right side (facing the school), next to Mrs. Ohrenberger's class. Mrs. Green's class lines up to the right of us.

# Big Five

The Big Five include Hygiene Etiquette, Staying Home When Sick, Cloth Face Mask, Physical Distancing, and Clean & Disinfect.

We will be following guidelines provided by the School District to implement the Big Five into our classroom this year.

Desks have been arranged to promote physical distancing. Face masks will be worn anytime a physical distance of 6 ft. is not possible. Hands will be washed/sanitized upon entering the classroom and before leaving the classroom. Our desks and other common touch points will be disinfected each day.

# Classroom Management

- Candy Land: In our class we play Mrs. Tetelpa's version of Candy Land. When class is on task, following directions, showing their best, etc. they will get to move forward on the Candy Land board. When class is not on task, not following directions, etc. Mrs. Tetelpa (or Mrs. Knight) will move forward. Once students reach the Castle, we will have a class party!
- BINGO: Upon Mrs. Tetelpa's return to school, BINGO Charts will be introduced. When individual students are showing their best, doing something kind for someone else, etc. they will get a stamp on their BINGO chart. When a student gets a BINGO, 5 stamps in a row, they will choose a treat out of the treat bin. When a student gets Black Out, stamps on whole BINGO Chart, they will choose a prize out of the prize box.

# Class Rules

- I will be RESPONSIBLE!
- I will be RESPECTFUL!
  - I will be SAFE!
  - I will be KIND!

# CANVAS

CANVAS will be used in our class this year as a way for students to access their online learning assignments, materials, and resources. You will sign into CANVAS using your student email address and pin number. We will be practicing logging into and accessing assignments in CANVAS the first two weeks of school to help students become familiar with it. Students are expected to complete all the assigned lessons each online learning day.

# Note For Parents/Guardians

Hello Parents/Guardians, as your student's teacher and school administration we want to be sure your student is safe while here at the school. In order to do so, we ask that your student wears a cloth mask whenever a physical distance of at least 6ft. is not possible. We also ask that any time you are at the school you wear a mask as well. All volunteers are expected to check in at the office and wear a mask.

I know the beginning to this year is different than most and might be slightly difficult to get used to. Thank you for your flexibility, understanding, and patience as we become used to this new way of learning. If you ever have any questions or concerns, please contact me by email or phone; I am more than happy to assist you in any way I can.

Thank you for letting me teach your student, I am very excited to watch them grow this year!

Sincerely,

Mrs. Tetel Pa
