

How do I sign up for a Canvas account as a parent?

How do I sign up for a Canvas account as a parent?

Parents can sign up as an observer in Canvas. Observers can link their Canvas account to their student's account so they can see assignment due dates, announcements, and other course content. Observers can view the course content but cannot participate in the course.

This lesson is for parents who do not have a Canvas account and want to observe their students in their courses. In order to create a Canvas account, you will need the Canvas URL <https://haverford.instructure.com>

Notes:

If the registration banner is not available in the login page, the institution has not enabled this feature. Please contact your student's institution for assistance. The registration banner is enabled through Canvas authentication.

- To observe a student, you must have a [student pairing code](#).
Once you have an account, you may be able to view student information through the Canvas Parent app. Access to the Canvas Parent app is controlled by the student's institution. If you
- already have an account from your student's institution as an observer, you can always view
- student information through the Canvas Parent app.

Open Canvas URL

haverford.instructure.com

In a browser window, enter your institution's Canvas URL (haverford.instructure.com).
