Name: \_\_\_\_\_ Grade in 2020 - 2021: \_\_\_\_\_

## Instructions:

The National Honor Society recognizes juniors and seniors who achieve excellence in the areas of scholarship, character, leadership, and service. You must excel in **ALL** four areas. A minimum of a 4.0 cumulative weighted GPA is required to apply. The faculty council selection committee will assess your character through two faculty recommendations. You will provide the faculty council with two Briarwood teachers who would be willing to serve as character references (see section II) and the NHS sponsor will send the teachers the form to fill out on your behalf. The main purpose of this application is to inform the faculty council of activities you have been involved in and honors you have received that demonstrate your history of leadership, character, scholarship and service. The committee is looking for **consistent** examples of leadership and service over an extended period of time. Please fill out all components of this form thoroughly and honestly. **Do not** repeat the same activity in two different sections. Please be as thorough as possible when describing your duties or role in a particular activity. **Additional documentation will not be considered.** If you have any questions regarding the best way to fill out this form, please contact Mrs. Kolling.

**Applications are due to Mrs. Kolling in room 201 by 3:00 p.m. on Friday, August 28<sup>th</sup>.**

## III. Leadership Positions

A leadership position is a position where you guided a group to work for a common goal. As a leader, you would have been one of the primary organizers and you would have served in many of the following roles:

- Created the event – saw a need and acted
- Recruited volunteers
- Set goals/objectives
- Led meetings
- Publicized the event
- Communicated effectively with volunteers and/or participants
- Set and followed a budget
- Delegated jobs to volunteers
- Instructed or trained volunteers

Serving in leadership positions means the activity described would not have occurred or would have been greatly impacted with your participation. These can be “traditional” positions such as a student council or club officer. These can also be somewhat less obvious roles such as organizing a service activity or chairing a school committee. On your application, it is necessary to clearly describe your position and duties IN DETAIL, so that the faculty committee can understand your role. Please be aware that some positions may sound like leadership positions but don’t have roles that truly qualify them as leadership.
