

NCHSAA Initial Screening Questions for Students to Participate in Athletic Activity During COVID-19

The NCHSAA believes it is essential to the physical, emotional, and mental well-being of students to return to athletic activity as soon as deemed safe. However, the health and safety of these student-athletes is vital. Therefore, we are requiring that all students wishing to be involved in athletics complete this form before being allowed to participate in ANY organized activity.

Answering these questions truthfully will allow all participants to receive the needed evaluation to safely return to athletics, while helping prevent other team members and coaches from being put at risk for contracting the COVID-19 virus or causing the quarantine of some individuals or possibly an entire team.
