Student Team Assignments Announced

August 21, 2020

Students are assigned to our teams for the 20-21 school year as follows:

If your last name begins with A through L, your child is assigned to the Blue Team

If your last name begins with M through Z, your child is assigned to the Silver Team

We understand that some students and parents may want to change team assignments for a variety of reasons. Please understand that in order to maintain balance in the classroom and maintain safety requirements, the District will not be able to honor any requests to change team assignments at this time.
