

The **Chartiers Valley Intermediate School Parent-Teacher Group (CVIS PTG)** is a group of volunteers that work together to plan events and activities for the students throughout the year. As we all know, this year is going to look very different; however, it will not stop CVIS PTG's commitment to providing as many events, whether virtual or (hopefully, at some point) in-person, to make the year a memorable one. We are also committed to supporting our teachers and staff during this challenging time. While this year's fundraising may not go towards our traditional events, every dollar earned will directly impact ALL students, both hybrid and cyber. We hope you will join us in making this year unforgettable for our students and faculty!

WHY JOIN THE CVIS PTG?

- ✓ **Networking** will play an especially important role for all our students more than ever this year! All PTG members will receive free access to the **Social Directory**
- ✓ **Connect** with other parents, teachers, and school administrators that share a common goal of student achievement
- ✓ **Stay informed** with what is happening at the school, who is involved, and where your dollars are spent
- ✓ Participating in your child's school and showing engagement has shown to **help students** perform better academically
- ✓ **Have a platform** to discuss issues, share ideas, concerns, experiences and be part of the positive changes
- ✓ When teachers and school administration receive community support it **strengthens the school** and creates a better environment for everybody
- ✓ While **volunteering opportunities** may be limited this year, all members will be informed and given a chance to participate as any opportunity arises.
