Consent to Videotape

From time to time, the Public Schools of Edison Township's students are video recorded by staff, students, or outside organizations. These videos are often broadcast on our designated cable television station, ESN-Channel 118, or other television stations.

Also, Edison Township video records athletic events and activities such as school concerts and awards ceremonies for broadcast on ESN-TV Channel 118. We are aware that there might be some parents who would prefer that their children not be videotaped. Please indicate your consent on the form below and return it as part of the Back to School packet. A separate form should be completed for each child.

Please note: If you do not give permission for Edison Township to video record your child, your child will not be able to appear on ESN-118 during athletic events, concerts, school programs and awards ceremonies that are broadcast on ESN-TV Channel 118.

Edison Township Public Schools will not allow outside media to videotape your child, on school premises during school hours, without first obtaining your consent.
