Excellence in Education

Enter to learn, go forth to serve

August 10, 2020

Dear Parents, Guardians, and Caregivers of incoming 9th Grade Students:

Enclosed you will find specific information regarding guidelines, laptop insurance, and laptop distribution procedures for the 2020-2021 school year. Please be advised that this information is based on our current plan to start school. We will continue to work closely with the Pennsylvania Department of Health and Pennsylvania Department of Education. We appreciate your patience and understanding at this time and will inform families of any changes made to these plans or timelines.

We plan to distribute laptops to 9th grade students during 9th grade student orientation. More information regarding the 9th grade student orientation will be forthcoming.

In order for students to receive their laptop, they must:

1. Have proof of insurance premium payment (\$70.00).
2. Have successfully completed the Google Form Quiz on Safe Use and Policy 137. (Directions for completing the Google Form Quiz on Safe Use and Policy 137 are attached.)
3. Have provided a **parent digital signature** (via DocuSign) granting permission to take the LMSD laptop off of school grounds (AUPA).
4. Once the parent has digitally signed the document the student will then receive an email for the **student's signature** as well.

We are asking that you submit the \$70.00 insurance premium in one of the two following ways:

1. During this environment we **strongly encourage** you to pay by using **MySchoolBucks** online. Instructions can be found by going to <https://www.lmsd.org/parents/myschoolbucks>.
2. If you are unable to pay using MySchoolBucks you may send the \$70.00 check/money order to Lower Merion High School. The check/money order should be payable to the **Lower Merion School District**. Please include your **child's full name** and **student ID number** in the memo line of the check/money order.

Families who receive notification that they qualify for the Free and Reduced Lunch Program for the 2020-2021 school year will have the option to forgo the insurance cost yet still have their student's/students' laptop covered under this insurance agreement and do not need to provide payment. Families will only have this option if they have received notification from the school district that they qualify for the Free and Reduced Lunch Program either

by completing a new application online each school year and receive a letter from the School District that they qualify or have been notified by the School District that they are predetermined eligible. In addition to the qualification of the program each school year, each family needs to sign the *Waiver for Sharing Information with Other Programs* that accompanies the Free and Reduced/Direct Certification Eligibility Letters. The Free and Reduced Application and the Waiver for Sharing Information with Other Programs are available on the LMSD.org Nutritional Services Page (<https://www.lmsd.org/departments/nutritional>) of the website.

Families who participate in the Free and Reduced Lunch Program will be required to pay the deductible charge for each theft, loss, or damage claim. A payment plan for the insurance deductible can be established with school administration. Families wishing to participate in this program must **apply** or **re-apply** and be approved for the program yearly at www.schoolcafe.com. Information regarding the Free and Reduced Lunch Program can be found on the Lower Merion School District website by going to www.LMSD.org/fandr. Families who don't apply (or re-apply), or who are denied eligibility to participate in this program will be required to pay the \$70 insurance premium.

Other helpful information regarding the One-to-One Laptop Initiative is available on the School District's website at www.lmsd.org/1to1.

If you have any questions or concerns, please feel free to contact Assistant Principal Jon Fadely at 610-645-1834.

Sincerely,

Sean Hughes
Principal

Information for Parents/Guardians and Students Opting Out of One-to-One Laptop Initiative

The One-to-One Laptop Initiative is designed to provide students with 21st Century learning environments both at home and in school, and to give all students access to technology resources. Lower Merion School District seeks to create a learning environment that fosters deeper cognitive development through inquiry, real and relevant project-based learning, and differentiated instruction – all supported by continuous access to digital technologies. The One-to-One Laptop Initiative provides students with the ability to work on projects and research both at school and at home by providing 24/7 access to the software that they use in school. We believe that the Laptop is an essential tool to assist students in thinking critically, analyzing data, solving real world problems and publishing their work.

In the event that the parent/guardian of a student, or the student themselves if the student is over 18, decline to participate in the One-to-One Laptop Initiative by refusing to sign an Agreement for Laptop Use, the building principal shall be responsible for making necessary accommodations for the student to ensure that the student's education is not adversely affected. Such accommodations may include access to printed resources and access to building based computers in areas such as Libraries and Help Centers.

All accommodations will be made on an individualized basis. The District does not guarantee that all accommodations will be provided to all students who do not participate in the One-to-One Laptop Initiative.
