If you need an evening pick-up we got you covered:

Wednesday, September 2nd for A Track 4:00-6:00

Thursday, September 3rd for B Track 4:00-6:00

Student Resource Bundle will have everything you need for a successful start of the school year. Things like... information from your teacher, crayons, pencils, markers, paper, workbooks and so much more. Don't worry that you do not have your bundle for the first day, your teacher has fun activities planned for you and your family.

Where to Park and Directions

You will need to pull into the teacher parking lot off of E Haskell Street. There will be numbered spaces for you to park in by the gym. Only Park in the numbered spots. If spots are full, please do not block the drive and wait for someone to pull out of the parking lot before you drive in. You will remain in your car and someone will come to your car using social distancing practices. Please wear a mask. You will need to be able to give child's grade level and last name. The Bundle will be brought out to you.

Sequoyah Chiefs....We are excited about the amazing year of learning ahead!

Sequoyah Staff will be reaching out to all of our Distance Learning families with more information on daily schedules and family engagement activities.
