No student shall be allowed to use school-issued mobile computing device until the parent/guardian has signed and returned this acknowledgement to the school.

### Parent/Guardian:

I have read the Acceptable Use of Technology Policy. I understand that my son/daughter's use of the school-issued computer/iPad is subject to compliance with these rules. I further understand that violation of the policy and/or rules may result in the revocation of computer privileges and may also be subject to further disciplinary and/or legal action.

By signing this form, I agree to the following: 1. I am responsible for the equipment or property issued to my son/daughter, who will use it in the manner intended. 2. I will be responsible for any damage done (excluding normal wear and tear). 3. Whenever requested by the school administration, I will return the item(s) issued to me in proper working order (excluding normal wear and tear). I will reimburse the district for damage or loss of any item(s) issued to my son/daughter that is damaged or lost, at my expense. If I do not pay any fees or return the device, I understand that my son/daughter may be excluded from graduation activities and I may face legal action or outstanding debts may be turned over to a collection agency.

Any suspicion of theft and/or intentional damage to the item(s) will be reported to the appropriate law enforcement agencies.

**I received the above described equipment. The equipment is in good condition and operating order. I understand and agree to the terms and conditions of this agreement.**
