

Welcome to Webster Middle and High School! 2020-2021

August 24, 2020

Webster Students and Families,

Welcome back to the 2020-2021 school year! For at least the first 9 weeks, we will all be engaging in distance learning. This will look very different than last spring when we abruptly closed schools due to the pandemic. Teachers and administrators have been working all summer to prepare for your return on August 31!

TPS Year-long Calendar

Please review the TPS yearlong calendar on the website! A copy will also be enclosed with your bundle package next week. We have extended the days by 36 minutes each day and will be utilizing Virtual Learning Wednesdays, so the calendar looks very different!

Virtual Learning Wednesdays

There will be no zoom class/instruction on Wednesdays. Each Wednesday is dedicated to small groups and targeted learning support in the morning only. Each teacher will provide information regarding Virtual Wednesdays!

Back To School Week

August 31-September 4 has been designated as “Back To School Week” in Tulsa Public Schools. Your attendance is required and will be counted when you complete the mandatory 15 activities to launch a successful school year. The activities are located in Canvas – our distance learning platform. Required activities may differ between the Middle School and the High School. For example, completing the Free and Reduced Lunch form is a requirement for both MS and HS, as well as watching the welcome back videos from the administration and your individual teachers. However, watching the Tulsa Transit bus video is only for the HS.

Bundle Drive-Through Schedule

We will have an opportunity for families and students to “drive through” the circle drive to collect a “bundle” of items to begin the year successfully. Within the bundle, you will find information critical to begin the school year successfully. In addition, if you do not have a chromebook from the Spring, you will be assigned one. If you need a replacement, you MUST bring the one that was checked out to you in the Spring and turn it in!

Please adhere to the following schedule so we are prepared for the distribution.
