

**DECA District Acceptable Use and Chromebook Policy**

*Please read and initial the following items to indicate your understanding and agreement.*

\_\_\_\_\_ I understand that DECA will collect a \$30 fee before issuing a Chromebook/charger. Payment forms accepted: cash/money order/check, only.

\_\_\_\_\_ I understand that my student's DECA-issued Chromebook is property of Dayton Early College Academy and my student's online activity is being monitored.

\_\_\_\_\_ I understand that my student's DECA-issued Chromebook is his/her primary means of participating in remote learning during this extended absence due to the coronavirus. If he/she does not maintain it in good working order, his/her education and performance will be affected.

\_\_\_\_\_ I understand that my student's DECA-issued Chromebook will be returned when students return to school for classes or at the end of the school year (whichever comes first).

\_\_\_\_\_ I understand that my student's DECA-issued Chromebook is to be used for educational purposes only. If my student participates in non-educational activities, such as games or inappropriate Internet searches, his/her privileges can be suspended or revoked.

\_\_\_\_\_ I understand that if my student's Chromebook stops working or becomes damaged due to the student's activity, I am responsible to pay a fee to offset the cost of repairs if the damage is determined to be due to abuse.

\_\_\_\_\_ I understand that if my student's Chromebook is stolen, I need to provide a police report.

\_\_\_\_\_ I understand that at the end of each school year, my student's Chromebook and charger will be returned to the school. At that time, I am responsible for possible damage fees and/or a missing charger.

*I certify that I am in agreement with each of the above elements of the DECA Chromebook policy.*
