One Google Account for everything Google

Password: the dolphin name assigned
to your child's grade (ie: bottlenose) + birthday digits MMDD
My student's password would look like this: bottlenose0722

Tap Open

Back in the Zoom app, you will notice the top left corner has the student's name or icon.

Now when you click the Zoom links in your child's Google calendar, you will be redirected to the Zoom app and you will not need to log in again. Please contact techsupport@sfday.org with any questions.
