Dear Families,

Welcome to the 2020/2021 school year!

I hope that you are all in good health and that you were able to find safe ways to spend time with your friends and loved during summer. On behalf of the teachers, administrators, and staff, I want to welcome everyone to our Anza family.

Our teachers have been working diligently through summer to find and learn about innovative ways to support students during distance learning and are committed to make this a great year for our students. Anza teachers are dedicated to ensuring that students have a positive elementary school experience. One where students feel supported and cared for. It is the sense of belonging that truly helps a child succeed.

**We will be kicking off our virtual school year on Monday, September 1<sup>st</sup>.**

Class lists will not be posted in person, this year. Instead you will receive an email with class information. We will have information about schedules available soon. Thank you in advance for all you do to support your children and the Anza community. Now more than ever, it will take all of us working together to make this another successful year.

Beginning August 20<sup>th</sup>, I will be sending weekly e-mails with important information and updates. Please make the time to read them. You can also visit our website at [www.anza.wiseburn.org](http://www.anza.wiseburn.org) to get the most current information. I recommend that you also visit the Wiseburn Unified School District website at [www.anza.wiseburn.org](http://www.anza.wiseburn.org). There, you will find a copy of the Wiseburn calendar and information about our school district.

We look forward to another amazing year!

In partnership,

Alberto Paredes  
Principal
