

Stevenson High School Fall Sports Spectator Policy

High School Sports are an important time for athletes and families to enjoy community and competition, within the contest of education-based athletics. We appreciate the support of our Patriot Families and enjoy our partnership.

To ensure that we provide a safe and healthy environment for all participants, including athletes, coaches, officials, workers, and spectators, we have put these spectator measures in place for our fall home competitions.

1. Assume that spectators are not permitted at away competitions, unless otherwise communicated by the Stevenson Athletic Office or Staff.
2. No spectators will be permitted at our indoor athletic events due to ISBE limits on individuals at indoor gatherings. We hope to provide live-stream broadcasts of these events as soon as possible.
3. Spectators will be permitted at outdoor events under the following provisions:
 - a) Do not attend the competition if you are experiencing any [Covid-19-related symptoms](#)
