Writing	Kinder - 6th Grades	<p>Teachers must administer some type of formal writing assessment during each of the three trimesters.</p> <ol style="list-style-type: none"> 1. Each trimester assessment will encompass one of the three writing genres (narrative, informative/expository, and opinion/argument). 2. Order of assessments is to be decided by individual school sites. 3. Grade level teams may craft their own prompts with approval from the Curriculum Department or use prompts from the McGraw Hill Wonders ELA Program. 4. Teachers use district rubrics to score the three formal assessments 5. It is expected that all three writing genres will be taught every trimester, regardless of the order in which they are assessed. Those student products can be informal and across all content areas.
