A Message from our PTA President...

Hello Sensational Sundown Families!

I just wanted to take a moment to say hello and highlight some amazing things our Sundown PTA does for our students and teachers. Our PTA has been able to provide field trips to all students, bring in educational assemblies, put on an amazing Spring Carnival, host Fall and Spring book fairs, sponsor dances, purchase planners for our grades 3-6 students, plus so much more!

If you have been a member in the past, THANK YOU and don't forget to renew your membership! If you haven't yet joined, PLEASE JOIN. The membership is only \$8 and by joining, you are able to help us provide the much needed support to our students and teachers this school year. Help us reach our goal of 200 members!

Joining is easy! Just click the link below and sign up. As always, you may contact me at any time at SundownElementaryPTA@gmail.com.

I look forward to working with you this school year!

Sincerely,

Amy Campos
