You do not have to join the PTA to donate to the Boulton PTA.

The Boulton PTA works towards improving and enhancing the life of the students and the school as a whole. We receive support and resources from the district and state PTA. If you become a member you are not required to attend meetings and help with PTA, but if you would like to be more involved we would love to have you.

The PTA is committed to helping the students at Boulton in every way we can. As much as possible, we try to fund the needs with direct donations. Our goal is to support the school in any of their fundraising efforts, and not add to the burden on families with additional PTA specific fundraisers. However, if we don't receive enough donations we may need to do a PTA fundraiser. 100% of your direct donation supports the PTA in being able to provide activities and experiences for the students and teachers. Along with PTA sponsored activities, we hope to help fund field trips (if possible this year) and new technology (iPads, etc). We will also continue to rely heavily on local business to help with our needs. Please contact the PTA or the School if you have a company that would like to participate in improving our school. ANY amount you can donate will help decrease the number of fundraisers we have to do. Thank you for your support!
