FOBISIA

FOBISIA JAW Early Years

Friday 13th and Saturday 14th March 2015

Establishing Productive Parent Partnership Programmes in the Early Years

This workshop is an opportunity for Early Years practitioners to collaborate and share good practice within the FOBISIA community and will focus on the opportunities and challenges faced in developing a strong and productive Parent partnership Programme.

Over the two - day workshop we aim to address the following:

What are effective partnership strategies?

- How do we implement these in an Early years setting?
- How do we track the effectiveness of these partnerships?
- How involved are parents in their children's learning?
- How might we improve partnerships within our own settings?

The workshop will be collaborative and active participation through shared agenda created through Google docs will ensure that the sharing of good and innovative practice is at the forefront of the JAW.

Timing:

08:30 – 16:00 Friday 13th March, dinner 07.00pm

08:45 – 14:00 Saturday 14th March.
