

FOBISIA SECONDARY MATHEMATICS JAW Innovate, Create, Collaborate Friday 18th & Saturday 19th September 2015

This workshop is an opportunity for Secondary Mathematics teachers to collaborate and share good practice. It will focus on the opportunities and challenges faced in the teaching of Mathematics from KS3 to KS5. As FOBISIA teachers we all have a wealth of experience and talents in delivering a Mathematics curriculum and the aim is to share good practice and expertise over the two days.

Using Google Drive, participants will construct a shared agenda and facilitate workshop sessions to address the issues we all face. The workshops will be active and will look at sharing good practice. The range of workshops may cover (but not limited to) curriculum, learning, use of technology, resource management, leadership and management, assessment for learning.
