

Drama JAWS
Jerudong International School, Brunei
Friday 11th and Saturday 12th September 2015

This Job Alike Workshop is an opportunity for FOBISIA Drama teachers across the region to get together to share good practice and develop new ideas about Drama and performing arts education. All participants will be actively engaged in creating the agenda to ensure that the two day event meets the needs and wishes of those attending. All sessions will be delivered by those participating in the workshop.

Some initial ideas for session topics are listed below:

1. Use of Technology in Drama.
2. Teaching Drama in different locations and classroom environments.
3. Technical support for Drama – from a ‘torch’ to a ‘full rig’.
4. Effective and engaging ways of delivering Drama.
5. Introducing KS2 Drama into schools.
6. Planning FOBISIA Drama 2016.
7. Evaluating Assessment for KS3 Drama
8. Practitioners.

The above sessions are merely suggestions and may be adapted or dropped according to the wishes of those involved. It is hoped that the agenda will evolve based on the experience and interests of those attending. A Google Drive Folder will be shared with all delegates to build the agenda collaboratively as well as sharing resources in the run up to this event.
