ESTABLISHED IN 1988

# Junior Science JAWS

**Dulwich College Suzhou, China**

**Friday 27th November &  
Saturday 28th November 2015**

*Intended for KS2 Heads of Science  
and classroom teachers*

## Objectives:

- To enhance the learning of junior students and raise the profile of Science
- To create an opportunity for teachers to meet and share a wealth of expertise, resources and good practice
- To facilitate future collaboration and continued 'shared practice'
- To participate in hands-on, interactive workshops

## Workshops:

All workshops will be delivered by those participating in the JAWS. Some initial ideas for workshops are listed below, however, we welcome suggestions from participants:

- Making science practical, engaging and cross-curricular
- Child Initiated learning
- Integrating technology into Science
- Assessing Sc1 skills
- Organising science day and science fairs
- Art through Science
- Supporting EAL learners in Science

The final agenda will be finalised nearer the time depending on the needs of the participants.

Available resources (fully stocked science lab, food technology lab, iPads, laptops, ICT suite)

**Registration fee:** 250rmb (lunch, refreshments, resources, transfer between hotel and school)

**Accommodation:** Youngor Hotel (standard room including breakfast 550rmb)

**Extra information:** We offer support for acquisition of a visa, airport transfer can be arranged at an extra cost, optional evening out in Suzhou.

**Deadline for registration is Friday 6th November 2015**

If you are interested in attending this JAWS, please click on the following link:

(<https://www.surveymonkey.com/s/jsjaws>) for registration or contact [rachael.moss@dulwich-suzhou.cn](mailto:rachael.moss@dulwich-suzhou.cn) for further details.

An edmodo forum has been set up so that we can collaboratively build this JAWS together.

**We are looking forward to collaborating with you.**
