

FOBISIA

Teaching Classics in Asia

29th February 2016 8:45 – 15:00

Hosted by Tanglin Trust School Singapore

During the Job Alike Workshop (JAWs) there will be an opportunity to network with teachers from other FOBISIA schools to share experiences and effective practice on teaching Classics in Asia. Schools who are considering introducing Classics in the future may also find the JAWs useful.

There is an expectation that all attendees actively participate throughout the day and so the full agenda will be completed once all of the participants are registered. **Attendees are also invited to attend the Classics Symposium in school on the Monday evening.** Possible themes include:

- Promoting the teaching of Latin and Classical Civilisation at an International School.
- Designing and implementing a dynamic Latin/Classical Civilisation programme.
- Key issues – planning, teaching learning, assessment.
- Planning engaging and stimulating lessons in both Latin and Classical Civilisation.
- Examinations – GCSE/IB/A Level
- Use of ICT and innovative strategies to interest and motivate students
