

Friday and Saturday 15-16 January 2016

Gifted and Talented

JAWS

Job Alike Workshop hosted by Discovery Bay International School. The course will be a full day Friday and half day Saturday.

Objectives:-

- * To enhance the G&T provision in your school through a sharing of G&T teaching and support strategies
- * To create an opportunity for teachers to meet and share a wealth of expertise, resources and good practice.
- * To facilitate future collaboration and continued 'shared practice'
- * To participate in hands-on, interactive workshops

Additional Information

Registration fee:-HKD\$350

Accommodation price per night:- HKD\$1,1800, plus 10% service charge (includes breakfast for one)

Accommodation is at the Auberge hotel in Discovery Bay, please contact meris.lam@aubergediscoverybay.com. (quoting FOBISIA G&T-JAWS workshop) for booking.

Friday night:- optional dinner for JAWS attenders in Discovery Bay

Deadline for registration:- Friday 4th Dec

Workshops:-

All workshops will be delivered by those participating in JAWs. Some initial ideas for workshops are listed below, however we welcome suggestions from participants:

- * Differentiation strategies to support gifted students e.g. pre-testing, curriculum compacting and individualised programming.
- * Student centred learning environments to support G&T students
- * Curriculum models to support G&T students
- * Strategies to support PSHE of gifted students
