Secondary Design and Technology JAWS

*'Design and
Technology from
the perspective of
Vietnam and BIS
Ho Chi Minh City'*

This JAWS will be an opportunity for Design and Technology leaders and teachers (both specialists and non-specialists) to gather together to discuss and share good practice in current thinking in Design and Technology.

This exciting opportunity will include:

- Delegates invited to bring examples of their own work and ideas
- Approaches to IGCSE and the new IB Coursework
- A choice of workshops:
 - *Introducing Textiles into the KS3 D&T Curriculum with Limited Resources*
 - *Design Methodology and Developing Creativity*
 - *How Can D&T Contribute to Wider Learning and Whole School Initiatives?*
 - *Formula 1 in Schools (a student led workshop)*
- A visit to Jonathan Charles Furniture Factory
- Cultural Tour of HCMC (Optional evening activity where you will be driven around the city on a vintage Vespa to enjoy the sights, sounds and tastes of bustling Saigon. All food and drink included)

Date: 30th September and 1st October 2016
